PUBLIC SERVICE BOARD

Docket No. 7449

Investigation into Vermont Electric Cooperative, )  
Inc.'s 2008 Integrated Resource Plan )

**ORDER RE SCHEDULE**

On September 4, 2009, Vermont Electric Cooperative, Inc. ("VEC"), filed a proposed schedule for the review of the power supply portion of VEC's Integrated Resource Plan ("IRP"). The filing states that VEC and the Department of Public Service ("DPS"), the only two parties to this proceeding, jointly propose the schedule.

VEC and the DPS propose a six-week period to exchange information with the hope of reaching a stipulation. They propose to file either a stipulation or a status report and proposed schedule for moving forward by October 14, 2009.

I am persuaded that the proposed schedule is reasonable, and hereby approve it. Accordingly, on or before October 14, 2009, the parties shall file either a stipulation or a status report for any issues associated with the power supply portion of VEC's IRP.

**SO ORDERED.**

Dated at Montpelier, Vermont, this 4<sup>th</sup> day of September, 2009.
